Brian Bruckner will continue to work on the Well Head Protection plan. As part of the Village of Craig project, a long-term plan must be developed in conjunction to addressing any potential rise in nitrate levels for Logan Easts water supply. More information will be presented at the April 8, 2024 LERWS meeting.

Bruckner reported on a **Village of Craig Water Discussion** conference call with USDA, Village of Craig, Nebraska DHHS- Steve McNulty, ,JEO engineers, Midwest Asst, and. LERWS, The call took place March 5, 2024.

J.Johansen gave the managers' report.

Kruger asked about the Water drought/emergency regulations and if any updates and been done to the resolution. The plan will be looked at and changes made if necessary at the April 2024 meeting.

The next meeting will be April 8, 2024 at 8:00 p.m. at the LERWS office in Oakland

Being no further business .Kruger adjourned the meeting at 7:45 p.m.

We the Logan East Rural Water System Advisory Committee recommends that the Lower Elkhorn NRD accent these minutes.

I, the undersigned acting secretary of the Logan East Rural Water System Advisory Committee, herby certify that the forgoing is a true and correct copy of the proceedings by the Advisory Committee on March 11, 2024.
