

## CHEMIGATION EQUIPMENT COST-SHARE PROGRAM

Process: *This program is intended to introduce landowners to, and provide a one-time cost assistance for, equipment needed for chemigation (split applications) of fertilizer through irrigation systems. This program is designed to spoon-feed fertilizer to the crop at the optimum time, reduce fertilizer losses and reduce the risk of nitrogen leaching to the groundwater.*

Eligible Areas: Landowners, farm units and corporations which own and farm agricultural lands within the Lower Elkhorn NRD are eligible for a one-time purchase of chemigation equipment through this program.

Eligible Components:

- All approved chemigation equipment needed on irrigation system for applying liquid nitrogen fertilizers
  - Including:
    - the mainline check valve
    - fertilizer injection pump and/or chemical injection valve.

Requirements:

1. Applicant has not previously done chemigation/fertigation.
2. Applications must be made on forms provided by the District.
3. The application must be approved by the District prior to the purchase of the equipment.
4. Applicants will be required to obtain a chemigation permit from the Lower Elkhorn NRD and have the unit inspected by the NRD.
5. Applicants will be required to utilize nitrogen fertilizer through irrigation system equipped with the chemigation unit.
6. This practice is an incentive program, limited to 1 contract per producer, farm unit and or/corporation
7. The irrigation well used for this chemigation system needs to be analyzed for nitrate, so the producer can take credit for the nitrogen available in the irrigation water.

Cost-Share: 50% of the total cost, not to exceed \$1,500 of the equipment costs. One time use program.
--

# Chemigation Cost Share Instructions

## Step 1

- Fill out 100a form
- Fill out W9 form
- Fill out equipment cost estimate form
- Obtain map of proposed chemigation site

## Step 2

Mail or drop off above information to:

Lower Elkhorn NRD  
1508 Square Turn Blvd  
Norfolk, NE 68701

Or email to: [kfreudenburg@lenrd.org](mailto:kfreudenburg@lenrd.org)

## Step 3

After the Lower Elkhorn NRD receives the above 4 items, the applicant will receive an approval letter from the Lower Elkhorn NRD. **Equipment may NOT be purchased until after you have received approval from the NRD.** Once you have received your approval letter, you may then proceed with the purchase and installation of the necessary chemigation equipment.

## Step 4

When the chemigation equipment installation is complete, the following items will need to be completed before you will be paid:

1. Contact Lower Elkhorn NRD to obtain chemigation permit and arrange inspection of chemigation equipment installation (call 402-371-7313). Chemigation applicator must have or obtain Chemigation Applicator's Certification (list of upcoming area trainings included)
2. Well must have been sampled for nitrate within the last four years and a copy of the results provided to the Lower Elkhorn NRD. This sample can be taken at time of chemigation inspection by applicant's request
3. Copies of invoices for purchased equipment must be provided to the Lower Elkhorn NRD

***Please note: chemigation equipment purchased through this program must be utilized for application of nitrogen***
